

## 4th ANNUAL SUB VET PICNIC

It was a perfect day on Saturday, October 20th, 2007 at a beautiful location with great food and fellowship - what more could a boat sailor ask for? A BIG thanks to Bill and Carol Wellner for making their home available to us again this year and for doing the heavy lifting - but we also thank everyone who contributed by way of a covered dish, desert, chips & dip, drinks, etc.

A special thanks also goes out to Bill's neighbor, Bill Kay, who cooked the main course in his barbeque cooker. Bill is an Army veteran (101st Airborne Screaming Eagles) - but we love him just the same, and he has graciously prepared the meat every year now for four years in a row!!

Here are some of the motley crew who attended - but scroll down to see more of the photos taken by Kenn & Della at this year's picnic - and standby for more as the Webmaster receives them from other members who were shooting their digitals that day.
