

## February 17, 2005 Meeting

Until we get the minutes from Bill Wellner to post (*we never did*) - here are some photos taken by John Mosticone at this meeting (*Anyone who wants to provide identifying captions for those photos that don't have one, or for those that are incomplete, feel free to send the Webmaster an e-mail*)

New officers for 2005 beginning induction ceremony conducted by Jim Wilson. From left to right: Bill Wellner (continuing as Secretary); Jack Winn (Treasurer & Storekeeper); Kenn McDermott (Vice Commander & continuing as Webmaster); Rob McNamara (Base Commander); Jim Wilson filling in for Thurman Register as the Induction Official.  
(Kenn's wife Della is seated at the left and looking on with great excitement)

Jim administers the oath to each elected officer for the 2005 year, with Jack's wife Bonnilyn seated far left, next to Kenn's wife Della - with Rob's son Tyler in the foreground

Kenn McDermott fawning for the camera seated next to his wife, Della, with Jack Winn standing between them. Opposite Kenn is Rob McNamara's son, Tyler and on the far left is Darryl Liscomb

Captain Tom Fursman on the near right attended his first meeting and gave us a quick history of his very distinguished Navy career - which included qualification in submarines as an enlisted man, command of two nuclear fast attack boats - the USS Lapon and the USS Sunfish - as well as commanding the Naval Facility at Kings Bay, Georgia where he retired.
